3. The **Profit Consistency Rule** applies to all trading activities during the Assessment Period and/or Trading Period. For the purposes of this Schedule. To satisfy the Consistency Rule: (a) if only Assessment Phase 1 (Evaluation) applies then no single trade can account for 50% or more of your total Required Return or total Target Return; or (b) if both Assessment Phase 1 (Evaluation) and Assessment Phase 2 (Verification) applies then no single trade can account for 50% or more of your total Required Return or total Target Return. To satisfy the Lot Size Consistency Rule your average trade size is used to calculate your trading range.
